

Raglan iHub Advertising Opportunity

The Whaingaroa Raglan Destination Management Organisation (WRDMO) is excited to announce a new promotional signboard outside the Raglan iHub on Wainui Road and visible 24/7.

By taking advantage of this early opportunity your sign will be in a prime location where thousands of visitors choose to stop and ask for information every day and your sign is on display even when the iHub is closed! If your business moves on, you can ask for your sign to be removed at no additional fee and the sign remains your asset.

There are two advertising sizes to choose from, either the Standard size of 270x270mm and one Premium size located at the top of the sign board.

Check out the example below of our signboard.

As a supporter of the iHub, our team will be actively supporting and promoting your business to visitors. The iHub is open 7 days a week 10am – 3pm.

In addition to the sign board advertising opportunity we will also add your business listing to the Raglan iHub website <https://raglanihub.nz/>

The signboard is proudly sponsored by Raglan Local Energy, was installed by Raglan Sign Co, and has a total of 24 advertising spaces available.

Spaces are limited and are allocated on a first in first served basis, thereafter each business will go on a wait list. **To book your** advertising space email Raglan iHub Manager Jacqueline Anderson jacqueline@raglanihub.nz or contact Charlie Young, Whaingaroa Raglan Destination Management Organisation on 021 175 8644 for further info.
